General conditions of hunting

Every hunting guest must have a hunting license valid in the Czech Republic and insurance against liability for damages caused during the exercise of the right to hunt. The price of hunting will be charged on the basis of the valid price list for trophy game according to the scored CIC value. The value of trophies is determined in a fresh state according to the valid price list. The preparation fee includes the price for boiling and simple bleaching of the trophy. The billing of the hunting event will be made before the hunter's departure. Prices are stated in CZK (EUR), converted according to the current ČNB exchange rate valid on the day of billing. Prices include VAT.

Hunting track game of the 11 and 11 age class is included in the price for guests of the resort.

If the hunter does not catch any trophy game, an organizational fee of 1,000 CZK - 40 EUR for 1 hunting day and 0,5 EUR for 1 km will be charged.

The hunting guest is obliged to pay a 5% point difference for deer up to 160 CIC, a 7% point difference over 160 CIC.
